We want you to have the best experience possible with Dromad Hire that's why we offer a range of products and services to help you complete your tasks, safely, conveniently, and cost effectively.

This innovative mini push around scissor lift provides a safe and cost-effective solution to working at low-level heights indoors. Weighing only 370kg and providing a class-leading 5m working height.

This simple, safe, easy to operate pop-up can easily fit into a traditional building lift or operate where floor loading is at a premium. An essential for any indoor building maintenance.

- Ultra Light Weight
- Easy to Manoeuvre
- Simple to Operate

- Class Leading Working Height
- 240kg Load Capacity
