Why Contract Hire?

Contract Hire Offers Many Benefits -no matter what type of business you are in. These include the assurance of fixed monthly costs and the elimination of hidden surprises. At the end of the contract, you simply hand the equipment back with no residual value risk.

Competitive Fixed Monthly Costs – no hidden charges.

Easy To Budget – improve your cash flow.

Tax Advantages – rentals can be offset against taxable profits.

Working Capital Efficient – free up capital to invest elsewhere in your business.

Improved Efficiency – new equipment lets you improve productivity and meet targets.

Cost Reduction – reduced administration and management costs.

Hassle Free – we take care of all maintenance and any statutory safety requirements.

Low Risk – we take care of the risk of ownership.

Hiring Allows You to Trial Your Equipment – a cost effective way to test the machines capabilities and the frequency with which you use the equipment.

24/7 Technical Support and Emergency Call Out Service – our team of highly qualified engineers are on call to offer you support and assistance in the case of an emergency.

Flexible Contracts

We also understand that plans change and can offer longer-term contracts with flexibility so that you have the option to decide every 12 months if you want to return or exchange your equipment as needed to suit your change in requirements.

Whether you need a quick solution during busy periods or have an occasional need for specialist cleaning equipment and want the hassle taken out of purchasing and maintaining, we also provide short term hire contracts to suit your budget.

However you choose to hire, the service is supported by our experienced backup team and qualified engineers who provide a guaranteed call-out response time and unrivalled spare parts availability. A fleet of emergency replacement equipment is also available to ensure you can carry on with your operations no matter what happens.

Our team of experienced sales professionals are always available to discuss the advantages of contract hire and how we can help your business.
