

DROMAD HIRE

ELITE Typhoon Industrial Cooling Fan

We want you to have the best experience possible with Dromad Hire that's why we offer a range of products and services to help you complete your tasks, safely, conveniently, and cost effectively.

These powerful industrial cooling fans feature an impressive airflow of up to 16,000m³ per hour and a maximum airflow of 9,525cfm. The 110V Elite Typhoon Cooling Fans with a 90cm fan blade are Perfect for Warehousing, Workshops, and many other commercial applications. The range is ideal for those warmer days and great for use in aiding the drying of fresh plaster and paint or improving the air circulation following flooding.

The roto moulded chassis not only makes it robust but also lightweight allowing you to easily manoeuvre into a position where and when you need the cool air the most, all Elite Typhoon Cooling Fans are also stackable when not in use.

Technical Specification

Voltage :	110 Volt
Power :	155/200 & 260Watts
Air Flow Maximum (m3) :	16200m3 Per Hour
Air Flow Maximum CFM) :	9525 CFM (+/-6%) Max
Fan Blade Diametre :	90cm (36 Inch)
Fan Speeds :	3 Speeds
Variable Speed (RPM) :	720 Max
Length :	99.5cm
Width :	31.5cm
Height :	102cm
Handle :	Included
IP Rating :	IP20
Noise Level :	76 d(ba) Max
Wheels :	Included
Weight :	27 kg
