We want you to have the best experience possible with Dromad Hire that's why we offer a range of products and services to help you complete your tasks, safely, conveniently, and cost effectively.

This Electric pallet truck has been engineered to be both powerful and flexible to meet the requirements of many demanding applications. Whether it's supermarket work, delivery service, stock replenishment or heavy manufacturing, the A series pallet truck is a must have. Both short term and long term rental options available.

Key Features

- Ergonomic tiller head
- Maintenance free battery
- 1150mm fork length
- 560mm outside fork width
- Permanent magnet drive motor
- Non-contact proximity switch
- Internal charger
- Tandem load wheel
- Multi-function battery indicator

Technical Specification

Load Capacity:	1,500 kg
Lift Height:	0-120 mm
Weight:	220 kg
Power Source:	Lead Acid Battery

Comfortable Handling

Easy one-handed operation with an ergonomic tiller and open fork design for clear visibility and smooth pallet entry.

Safety First

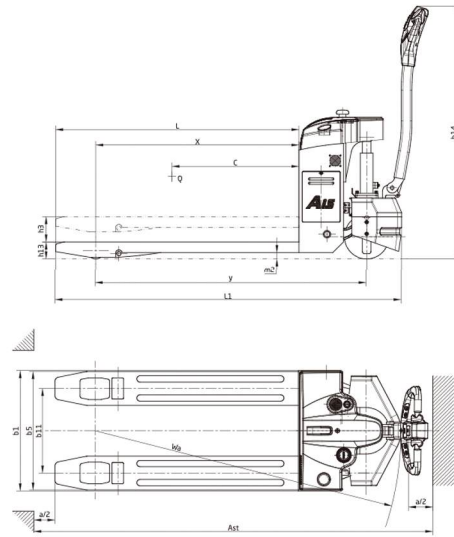

Triple braking system — regenerative, reverse current, and parking brake — ensures safe control, with anti-slope protection on gradients.

Reliable Build

A robust 5-point chassis and waterproof connectors protect the electrics, boosting durability and long-term performance.

Strong Performance

Rated to lift up to 1500kg, with a high-efficiency traction motor for smooth acceleration and low heat output.
